Docent Appreciation Program

Studio Channel Islands Art Center is proud of our Docent Training Program. Our docent group receives on-going training and instruction on technical and artistic aspects of our exhibits. Docents will be needed to welcome and guide visitors through our gallery, inform them about ongoing exhibits and programs, and carry out sales. Docents commit to volunteer a minimum of 10 hours per month, not including their training time and Docent Appreciation Events.

In addition to Free Artist Talks and Lectures, docents who fulfill their commitments will receive a series of 6 Docent Appreciation Certificates per year:

1. Coupon for one complimentary one-day workshop of your choice (Restrictions may apply due to availability)
2. Invitation to a complimentary "Luncheon for Docents"
3. 50% discount on rental of the gallery room after hours for a personal event (Restrictions apply due to availability and purpose of use)
4. One complimentary "Guided Field Trip" to an Art Venue
5. One special invitation to a "Meet the Artists Evening for Docents"
